Me hom o drom

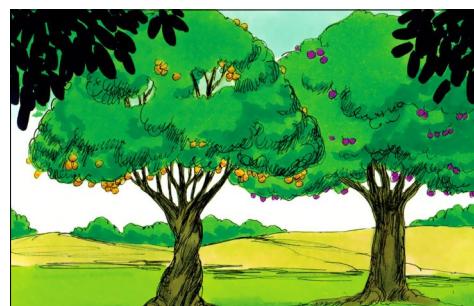

1. O Del kerdeas e lume

Mai anglal, okkor kana o Del i phu kerdeas la, khore erzindeam amen, has amen ieg than. O Del kerdeas o menneos the i phu, se mindenos so has pe phu the an menneos.

Kerdeas o kham, o ciunut the o cerenea te avel vilagşagos, kerdeas alotonen, ciriklean, macen, kaşt, e ciar, se mindenos so has. O Del dikheas ke se mindenos mişto hin the öromöşön haslo.

O Del kerdeas le manușes. Kerdeas te ieg bar kai kode te avel o manuş. O Dragon Del kerdeas an bar but şukar diümölcifavi kai te hhal o manuş the o kaşt kai has o eletos. Kerdeas te iek aver kaşt kai has le miştimasro the le giungalimasro gianglibo, the phendeas le manușeske te na hhal diipe kodo kaşt, ke sar hhal, merel.

O Dragon Del kerdeas paşo manuş iekha giulea te na acel kokorro. The kide dikheas o Del ke kala se mişto hine. Kado has o than o mai lacio vaş amenghe.

2. Sar hhasardeam o drom kurig o Del

Ieg maşko vodon alloti, o sap, has o mai rovoson allotos. Vo puci-leas la giuleatar: „O Dragon Del phendeas te na hhan pa nici ieg kaşt?” De i giulii ode phendeas: „Şei hhas pa sekkon kaşt, numa pa ieg kaşt naştik hhas, pa kodo kaşt kai hin le miştimasro the le giungalimasro gianglibo.” De o sap phendeas: „Dake hhan dii pe kodo kaşt, avena sar o Del, gianena o miştibo the o giungalibo.”

The dikheas i giulii ke zores şukar diömölcii has pe kodo kaşt. Okkor hhais he dineas te pesre muşes. Kide isarde o dumo le Deleske the durile katho Del.

Kide ke o Dragon Del ari naşadeas len andra kode bar kai te na hhan deandra okover kaşt, kai has o eletos. Ari naşadeas len o Dragon Del the ciuneas pesre andealen kai te örzinen kodo kaşt kordonența. Kide kărdiile o manuşa ideghenie pe phu.

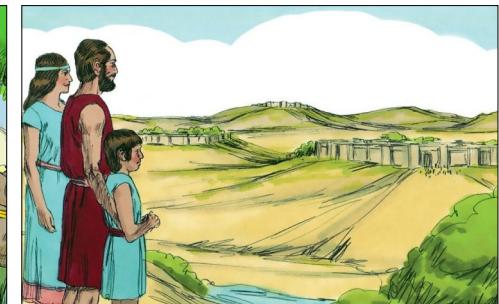

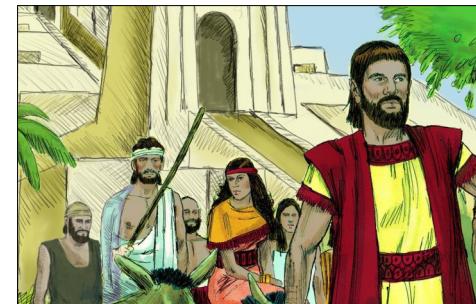

3. O Abraham

Palo anglune manuşa jidiile but aver manuşa. Maşke kola but has kise save na patteane an Dragon Del, de has kise, save patteane an leste the ode kerde so vo phendeas. Has ieg manus, o Abraham, saveske ode phendeas o Dragon Del:

„Mik otte tro them, tro neamos the tre dadesro kher, the già an kodo them savo sikavoho les tuke. The keroho andra tute ieg baro nepos, the aldinoho tut, baro avela tro nav, the aldimen avena o manuşa pordal tute. Save aldinena tut, aldinoho len, save atkozinena tut, atkozinoho len.”

O Abraham ode kerdeas so phendeas leske o Dragon Del. Kana

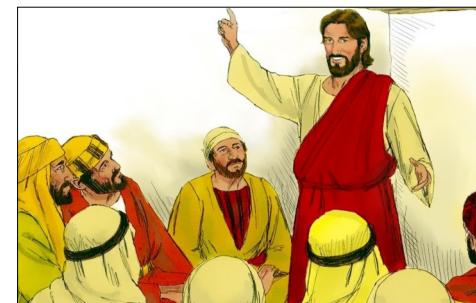

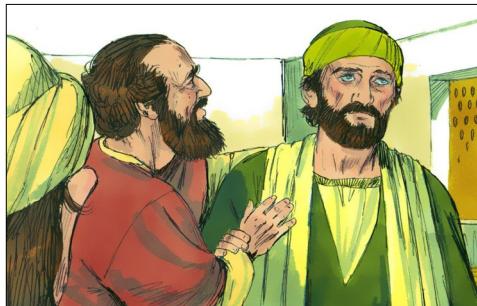

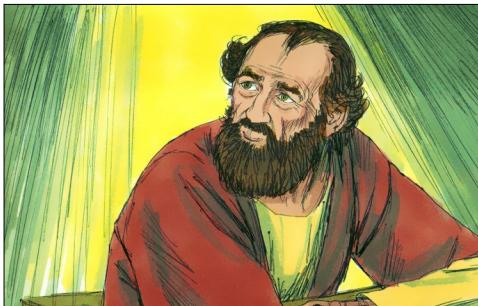

22. O nevo zegos the i nievi phu

Pale so o anglune manuşa vetkezinde, na mai erzinde pen khore khatiinde pe phu. Pale so von mule, has te aver manuşa save se kide erzinde pen ideghenie pe phu: sar o Abraham, o Ijak the o Iakob. Kala manuşa na arakhle ieg than kai te erzinen pen sar khore, numa avugiarde les. Phende ke lengro than na has kade pe phu. Von losarenas ieg aver them.

Dake ghindindehas pen pe kodo them kai kerdile, kathar avile, okor pale şei ghileahas otte. De na. Kamenas ieg than mai lacio, le menneosro them. Le Deleske nanii lagiavo kai te phenen les pengre Deleske, ke kerdeas lenghe te ieg than te erzinen pen sar khore.

Kana has o Iezuśis pe phu, dumazindeas pa kodo them the phendeas ke otte giala te kerel amenghe ieg than an le Delesro kher. O Tamaş puceas katho Iezuśis: „Na gianas kai gias. Sar te gianas o drom?” The okkor phendeas o Iezuśis: „Me hom o drom, o ciacibo the o eletos, naştik te gial khagino ko Dragon Del, ko Dad, numai părdal mande.”

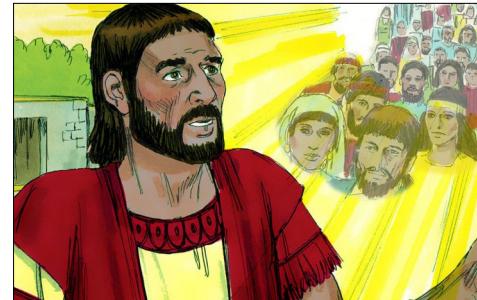

na dara! Les ciuneom les kai te gial te ka aver thana, anglo kraia, anglo morro nepos o Izrael, kai te phenel pa mande, the but dukha hin te phiravel vaş manghe."

O Ononiaş ghileas ka kodo kher the ode phendeas le Şouleske: „Phrala Şoul, o Iezuşis traneas man tute, kai sikadeas pes tuke po drom kai aviean. Avieom te şei dikhes dean neveste the te aves pherdo le Sîntone Duhoho.” Pe leste ciuneas pesre vasta, the sar kana vareso tele pieahas pa lesre iakha, pala kode dikheas.

Pala ode keresteindeas pes, hhaias the zor hhuneas. Gheas the dumazindeas pa Iezuşis kode an le Delesre neposre khanghira, the ode phendeas ke o Iezuşis hin le Delesro ciavo.

Sekkon kon haiardeas, phenenas maşka pende: „Kado savo dumazinel akana pa Iezuşis, angle kede phanelas andre le Iezuşesre tonitvanean the mudarelas len! Te akana vaş kode avieas kai te huden kolen save pattean an Iezuşis, te ghijal len an phandibo.”

De o Şoul mai mişto the mai bara zoraha phenelas ke o Iezuşis hin o Kristuşis, o kraiis trano katho Dragon Del.

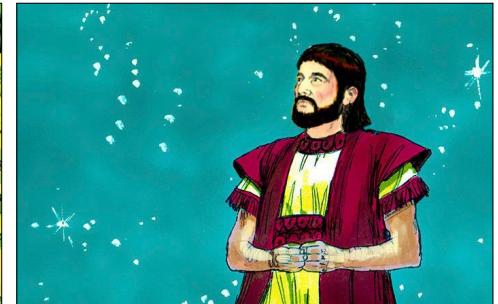

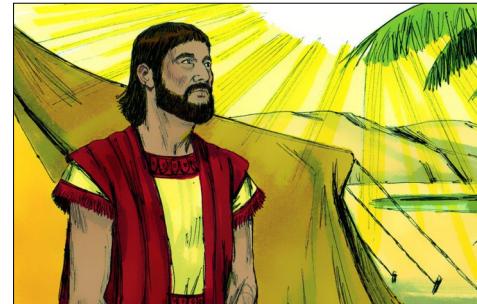

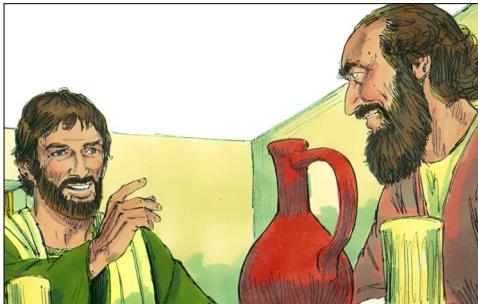

ghileas peske, barvalo haslo, de na has les şine ciave. Pehe ghineas pesra rromnea the semindenos so has len, pengre manusen, the ghile an kodo than kai sikadeas leske o Dragon Del, an Kanaan.

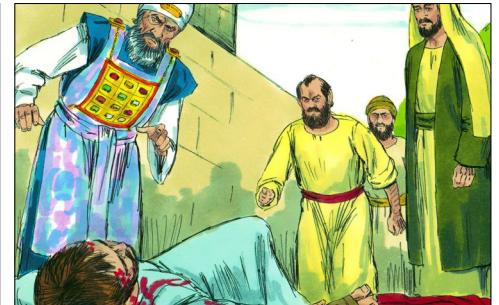

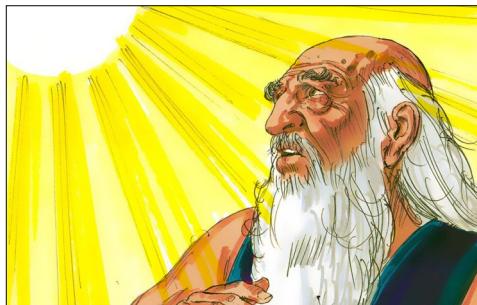

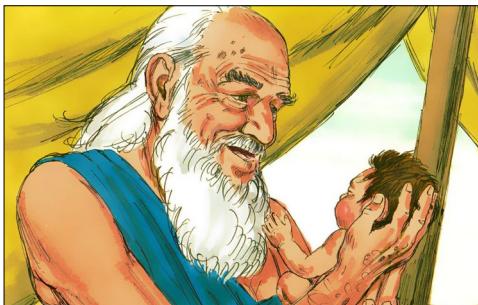

The kana othe risle an Kanaan, ode phendeas leske o Dragon Del: „Kado them doho les kolenghe save acena tutar pale.” The okkor o Abraham kode kerdeas ieg altaris the imatkozindeas.

Pale kode but borş sikadeas pes o Dragon Del le Abrahamoske the ode phendeas leske: „Ferinav tut the baro avela tro poťibo.”

The o Abraham ode phenel leske: „Dragona Dela, so dehe man? Ke morro barvalibo so hin man, morre sogalovoske acela, ke nanii man şine ciave.” The ode phenel leske o Dragon Del: „Na, ke me doho tut iekhe şine cias. Gia ari the dikh opre po ceros!” O Abraham ari ghileas the ode phendeas leske o Dragon Del: „Gianes te inghines o cerenea? Kola save pale tute avena, kižom avena sar o cerenea, ke aldinoho tut.”

O Abraham patteaneas the vaş kede o Dragon Del ode phendeas ke vo ieg ciacio manus hino.

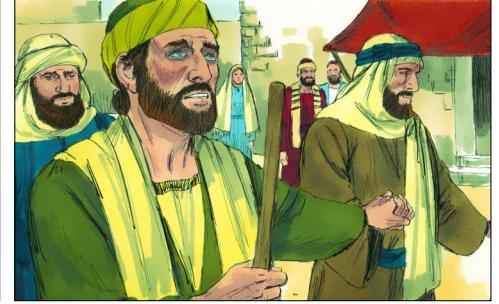

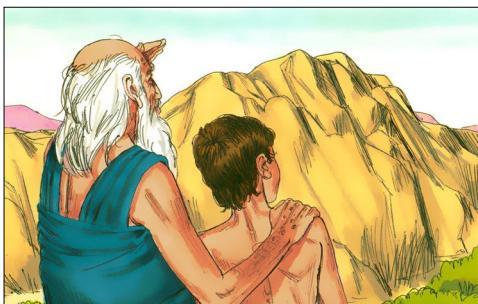

4. O Abraham the o Ijak

O Del sar phendeas le Abrahamoske, te kide kerdeas. Sar phen-deas ke dela les iekhe ḥine cias, te dineaes les, le Ijakos.

De kana o Ijak mai baro kerdileas, o Del ode phendeas le Abrahamoske: „Abraham!” Vo ode phendeas: „Kade hom, morro Del.” O Del phendeas: „Gia an kodo than savo sikavoho me tuke, pe kode dumba! The kode aldozin opre tre cias vaş manghe: mudar les pe ieg altaris the phabar les!”

O Abraham tosarra opre uştiileas, ileas le Ijakos, duien dean pes-re sogalovi, pharradeas kaşa, opre ciuneas po somaris i nierghe the ghileas. An trito dies othe risleas the dikheas kodo than savo phen-deas leske o Del. Ode phendeas le sogalovonenghe: „Tumen acen kade le somaroho, ke me giav morre ciahā kai te imatkozinas, the pale avaha.”

Opre ciuneas pe le Ijakosro dumo o kaşa, save vaş o aldozotos has le. The vo ileas i ciuri the i iag, the opre ghile kode pe kode dum-ba.

The vo ode phendeas: „Morro rei, kon han tu?” Vo ode phendeas: „Me hom o lezuşis, saves tu naşaves. Gia andre an kado foros the kode phenena tuke so hin te keres.” Kola save lehe has le, kaştonde, ke numai i hanga haiarde, the na dikhle khagini.

O Şoul opre uştiileas, ari putrideas pesre iakha, de na dikhleas, ke korrikeas. Hhune les vastestar the andre ghine les an kodo foros. Trin dies na hhaias the na pieas khaici.

An Damaskus has le lezuşes ieg tonitvaneos, savo kide biciolas Ononiaş. Sikadeas pes leske o lezuşis the ode phendeas leske: „Ononiaş!” The ode phendeas o Ononiaş: „Kade hom.” „Ononiaş, gia pe Vorton uiuşa, an le İudaşesro kher, the kode avela ieg manus, o Şoul. Akana manghel pes, the dikheas sar ieg suno ke avela ieg manus leste savo pe leste ciuvela pesro vast kai paneş kai te dikhel.” De ode phendeas o Ononiaş: „Me haiardeom ke kado but giungalibo kerdeas an Ierujalemos. Phandelas andre tre tonitvaneonen, marelas len, vaş kode avieas te kade.” Ode phendeas leske o lezuşis: „Gia,

„O Del dineas man pesri zor anceros the pe phu. Gian tumenghe the keran saste neponen te aven morre tonitvanea, the keresteinen len an le Dadesro, an le Ciasro the an le Sínton Duhosro nav! Sikaven le manušen te niikeren se minden so me phendeom tumenghe! The me tumenja avoho sekkovari.”

Pala ieg reme o Iezuſis opre ghileas an menneos angla pesre tonitvanea. The körbe ileas les ieg baro felhövos. Angla lende kerdiile du manuša the ode phende lenghe: „Sostar ciudalkozinen kide, ke o Iezuſis opre ghileas an menneos? Sar dikhlen ke ghileas peske, kide avela te pale.”

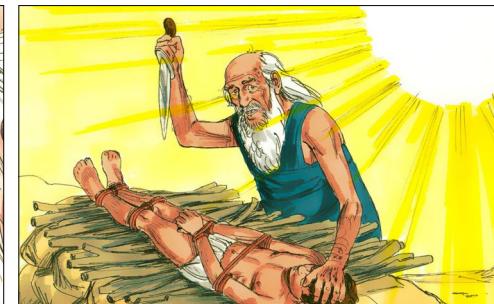

O Iezuſis kana phirelas pe phu, ode phendeas le tonitvaneonenghe: „Na daran! Pattean an mande, pattean an Del! Na gianen ke an morre Dadesro kher but thana hin vaſ tumenghe? Me giav kai te kerav tumenghe than, othe te aven te tumen kai me avoho.”

21. O Soul iseeol ko Iezuſis

Pala soste opre ghileas o Iezuſis an menneos, pala ode mikeas pesro Sent Lelkos po tonitvanea. The von zor hhune the dumazine nas pa Iezuſis. The but gine patteane an leste.

De has kise saven kede na ceiieas len. O Soul has ieg dean kala save naſade le tonitvaneonen. Pherdo haslo ruſimaha the kameas kai te gial te an Damaskus, the kode saven vo arakhela, save pattean an Iezuſis, giulean the murſen, kai te anel len tele phangle ko lerujal-lemos.

Kana o Soul gialas karig kodo foros, angle te risel an Damaskus, ieg baro vilagſagos kerdiileas angla leste. Tele pieas pe phu the haiardeas ke varekon phenel leske: „Soul, Soul, sostar naſaves man?”

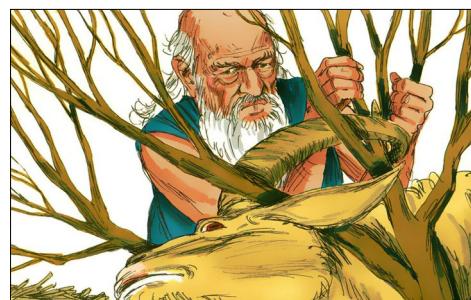

The sar gianas, ode pucileas lestar o Ijak: „Tata, kade hin o kaſta, kade hinii i iag, de kai hin o bakro so hin te aldozinias opre?” The okkor o Abraham ode phenel pesre ciaske: „O Del gîndos ghijala pa leste, morro ciavo.”

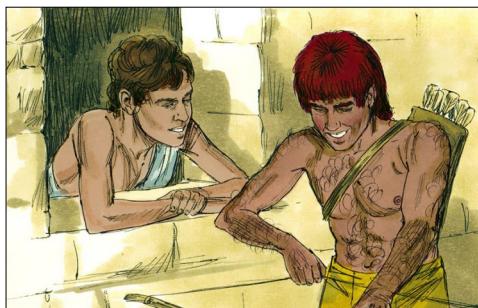

Kana othe risle, o Abraham kerdeas ieg altaris. Opre ciuneas o kaſta, the phangleas pesre cias the opre ciuneas les. The kana ileas i ciuri te mudarel les, haiardeas ieg hanga, de kodo le Dragone Delesro andealos has the kide phendeas leske: „Abraham, Abraham, na ker la! Mik les bono pace, na mudar les! Akana dikhav ke dasar mandar the keres ode so phenav me. Na niikerdean pale tre ċine cias mandar.”

The o Abraham pala peste dikheas the dikheas ke ieg bakro andre hino akadimen le ſinghenja an bokri. The ghileas the koles aldozinideas opre an le Ijakosro than. The ode phendeas: „O Dragon Del del amen so kampel amenghe, kana kampel.”

Inke iekhar haiardeas le Dragone Delesre andeales: „Tolahharav pe mande, phenel o Dragon Del, ke zores aldinoho tut vaſ kode kai kerdean ode so me phendeom tuke. Kerdean ode kai te aldozines opre tre ċine cias vaſ manghe, the akana dikhav ke patteas an man-

de the daras mandar. Vaş kode kai othe dinean tre tine cias vaş manghe, aldinoho tut zores the pordal tute avena aldimen o saste manuşa. Kide sar po ceros o cerenea, sar o homokos po silos le tengherosro, kiți manuşa acena tutar pale aciade.” Pala ode pale ghileas ko sogalovi, the ghile penghe khore.

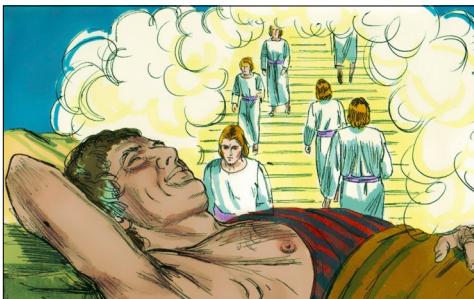

5. Le lakobesro suno

O Ijak, le Abrohamosro tino ciavo opre barieas the ileas peske rromnea. Kerdile les dui tine ciave. leg bicieas lakob the ieg Ejou. O Ejou kamneas te mudarel pesre phrales, ke rușeas pe leste, the kai te na mudarel les, ghileas peske lesro phral o lakob karig o Haran, kai beșelas lesro bacis.

Kana tele ghileas o kham, risleas ka ieg than, ileas ieg barr, tela pesro şero ciuneas les the suteas. Dikheas an suneste kise lunghi lepcöves, save kise lunghi hasle pa phu gii opre ko ceros. Pe kola phirenas le Delesre andeala opre the tele.

The o Dragon Del acelas legopral the phendeas leske: „Me hom o Dragon Del, tre paposro, le Abrohamosro Del, the te le Ijacosro Del. Tuke doho kado them the kolenghe save dean tute avena. Kițom gine

20. O Iezușis opre tamodindeas

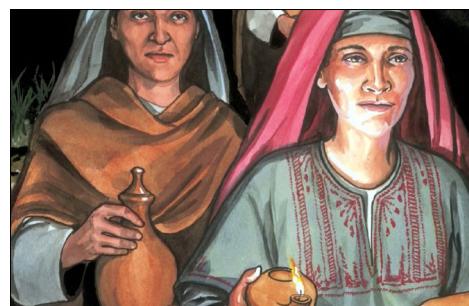

Kana nakheas o savatos the avieas o kurko, o giulea ghile ka le Iezușesro şiros. Tele avieas le Delesro andealos ko şiros, kai femlinelas an parne rîzende the krikh ispineaas o baro barr katho udar.

Kola save păzinde o şiros, zores dereniile.

Le giuleanghe opre tamodindeas de maşko mule. Na phendeas tumenghe ke opre tamodinela? Gian sigon, phenen le tonitvaneonenghe ke opre tamodindeas o Iezușis!” O giulea zores dereniile de te örvendinde the ghile sigon kai te phenen le tonitvaneonenghe.

Kana ghile, de ande iekh angle lende avieas o Iezușis the vo opre phendeas lenghe: „Te aven bahhtale!” O giulea bandarde pen angle leste. O Iezușis phendeas lenghe: „Na daran! Gian sigon, phenen morre phralenghe kai te gian an Golileea, ke kode risaha amen.”

Kana o tonitvanea othe risle an Golileea, kide has sar phendeas o Iezușis, risle pen lehe the opre phendeas lenghe:

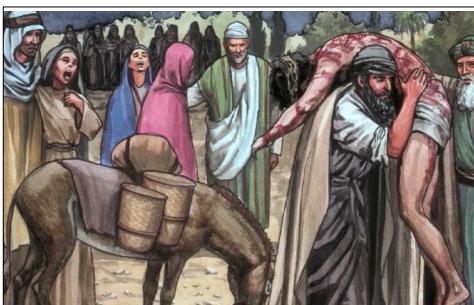

Kana muias, an Bari Khanhiri e thuui firhonga, savi pateardeas o senton than, dii opral gii tele an duiende pharileas.

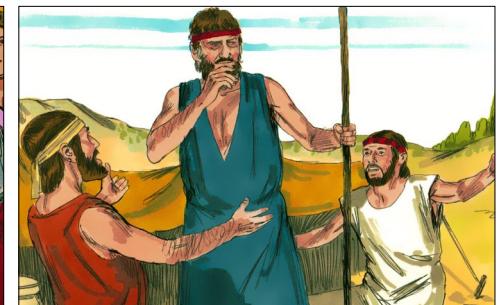

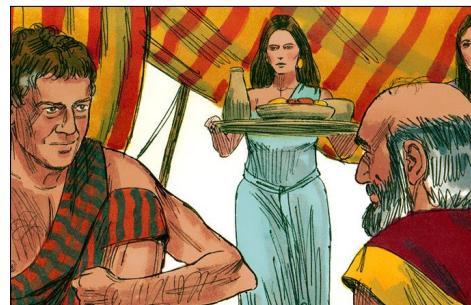

Ko truşul has le sugladiimasro kopitanos, the dikheas sar muias o Iezuſis. Ode phendeas: „Ciaces, ke kado le Delesro ciavo haslo.”

Has ieg manus savo avugiardeas le Delesro kiraişagos. Vo kide bicieas lojef dean Arimateea. Gheas ko Pilatuş the mangheas le Iezuſesro mulo teſtos. O Pilatuş akhardeas le sugladiimasre kopitanes the ode puceas leſtar: „Kiso ſigo muias o Iezuſis? Ciaces ke muias?” Vo ode phendeas: „Ighen, muias.” The okkor ode phendeas o Pilatuş ke ſei len lesro teſtos dii po truşul.

O lojef tele ileas les pa truşul. Andre ciune les an ieg baro parint, ghine les the an ieg borlongos ciune les andre the ciune ieg baro barr ko udar. O giulea save le Iezuſehe phirenas, dikhle kai ciune le Iezuſesro teſtos.

avena dean tute sar pe phu o homokos. Pordal tute avena aldimen o saste manuşa pe phu the pordal kola save dean tute avena. Fiekai phirehe, me tuva avoho the na bantinela tut khagino, ke me üdielino-ho pe tute the pale anoho tut ka kado than. So phendeom tuke, kide keroho.”

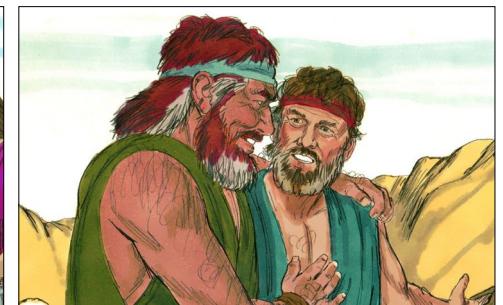

6. O Iakob iseeol khore

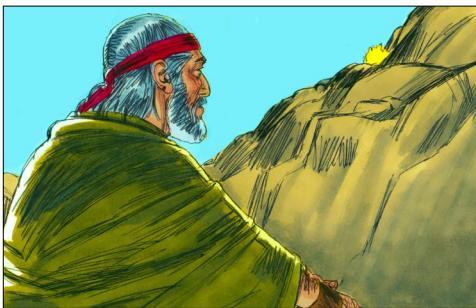

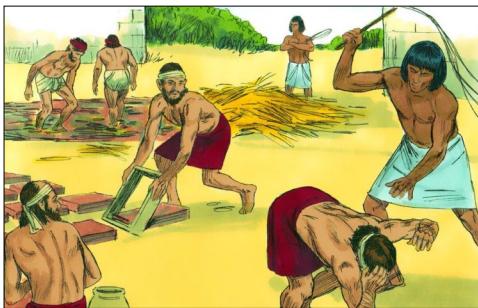

O Iakob beſleas ka pesro bacis, ko Laban. O Iakob ileas peske ştare rromnean. But ține ciave the alloti kărdiile les. The iekhar o Iakob ghindindeas an peste ke pale giala an pesro them, kothar, kathar avieas, ka pesre dadesro kher the induindeas khore. De inke mai draneas vo kathe pesro phral, katho Ejou.

O Iakob traneas pesre sogalovonen ko Ejou kai te phenen leske ke avel khore. Ghile o sogalovi the phende le Ejouske ke avel lesro phral. Pala ode pale avile o sogalovi the phende le Iakoboske: „Avel tro phral karig tute ştar şal manuşenţa.”

O Iakob dikheas die dural ke avel lesro phral o Ejou. Opre ostindeas pesre ciolados: save dragon has leske ciuneas len anglal, save mai dragon has leske, ciuneas len mai palal.

Vo ghileas anglal the sar gialas karig o Ejou, efta var tele bandieas angle leste. O Ejou kana dikheas les die dural, angle leste nașeas, an lesri korrî hhuttiieas, ciumigleas les the iekh avreske rovrenas pen.

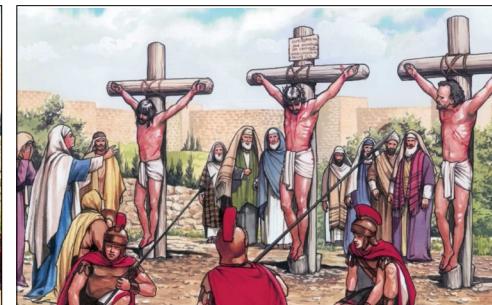

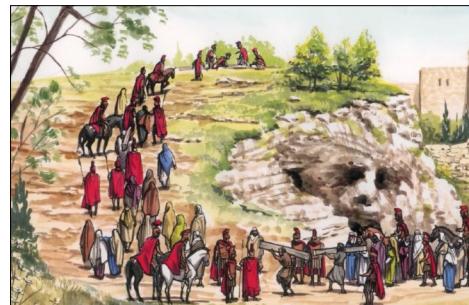

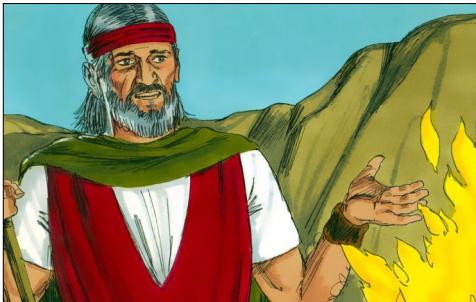

7. O Mozeş

O Iakob an Kanaan besleas. Iekhar na has len hhabo, ke bari bokh has. The ghile an Ediiptomos te losaren penghe hhabo. The von, le Delesro nepos, o Izraelos, othe acile ștar șăl borș an Ediiptomos.

Pale but reme opre dine cingar ko Del ke but senvedinde. But marenas len, but butii kerarenas lența.

Has ieg manus de ando Izraelos, savo biciolas Mozeş. Vo hhavarelas pesre srastresre bakren. Iekhar an pustavon than haslo, risleas ka le Delesri dumba, savi bicieas Horeb, the le Delesro andealos sikadeas pes leske an ieg bokros savo phabolas, de na phabolas se.

Kana dikheas kodo bokros o Mozeş, kamneas kai te gial te dikhel sar phabol, de na phabolas se, the zores ciudalkozindeas. Haiardeas

19. O Iezușis po trușul

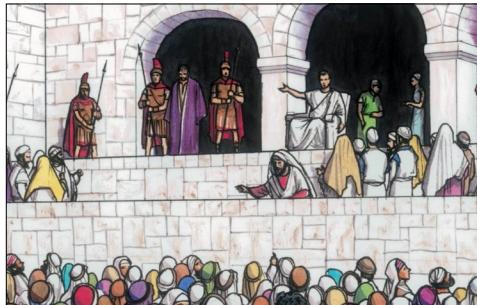

O sugladea ghine le lezușes kai te ciuven les po trușul. Kana othe risle ka Golgota, dine le lezușes orvoșagosri mol, kai te piel, de vo na pieas.

O sugladea opre ciune les po trușul, ari fesitinde les. Tosarra karig o enea has kede. The paşa leste has inke dui ciora, saven ari fesitinde len.

Kola save kode hasle, ciufșagoinde pen lehe. Ode phende leske: „Dake tu han le jidovenengro kraiis, ama tele pa trușul! Okkor patteas an tute.” Ciufșagoinde pen lehe te kola save po trușul has.

Katho mismeris gii ko trin andre retileas pe sastii phu. The ko trin dineaas cingar o lezușis: „Eli, Eli, lema sabaktanii?” So ode ielentinel: „Morro Del, morro Del, sostar mikean man?” Has kode mol the ieg mașka kola save haiarde les sigon nașeas, andre martindeas ieg kotor an mol, the othe ciuneas leske ka lesro mui kai te piel. O lezușis iekhar dineaas iek bari cingar the pale kode muias.

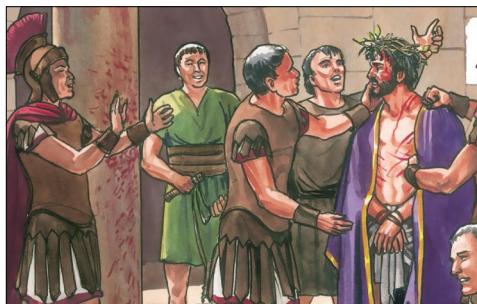

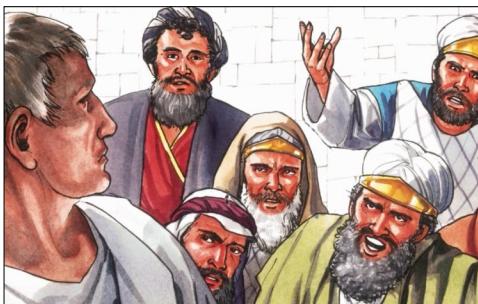

Zores ciudalkozindeas o Pilatus.

An kode reme ünebosri, o Pilatus sekkovari mikeas ari iekhe robos maška kola save phangle has le. The ode phendeas le manušenghe: „Mikav ari tumare kraies, le lezuſes?” Von ode phende: „Na! Mik amenghe ari le Borobaſes!” O Borobaſ vaſ kode haslo phanglo, ke mudardeas manuſes. O Pilatus ode puceas lendar: „O lezuſis se giungalibo kerdeas?” Von mai zores dine cingar: „Po truſul le lezuſes!”

Pala ode dineas o poroncis o Pilatus kai te maren les the pala ode kai te ciuven les po truſul. O sugladea ghine les an udvora an maškar le palatosro.

Kode dine pe leste kise rîzes sosre has le kraionen the kerde leske ieg korona dean kangre the pe lesro ſero ciune la. The marde les iekha kopaiaha an ſereste the ciungarde les, ciuſagoinde pen lehe the an boghende ciune pen angle leste, kide sar kana kraiis vo aveſtas. Ciuſagos kerde lehe.

ieg hanga dean kodo bokros: „Mozeſ, Mozeſ!” Vo ode phendeas: „Kade hom.”

Ode phendeas leske o Dragon Del: „Me hom tre phurengro Del, le Abrohamosro Del, le Ijakosro Del the le Iakobosro Del.” O Mozeſ tele bandeardeas pesro ſero, ke daraneas. Ode phendeas leske o Dragon Del: „Haiardeom morre neposri dugh, ke sode senvedenin, sode maren len. Opre dine manghe cingar the me haiardeom len. Hin te gias kai te vezetines ari morre nepos dean Ediiptomos kai te ghigias len an Kanaan, pe kode phu savi lengre phurenghe phendeom ke dav la. Akana gia the vezetin len ari dean Ediiptomos, morre nepos, le Izraelos.”

The o Mozeſ te kide kerdeas. Pale ghileas an Ediiptomos, de o kraiis na kamea te mikel len te gian penghe, kamea te kerarel lenťa butii. De o Dragon Del vaznea len, the but peldes kerdea, the o Mozeſ ari unkadea len deandro Ediiptomos.

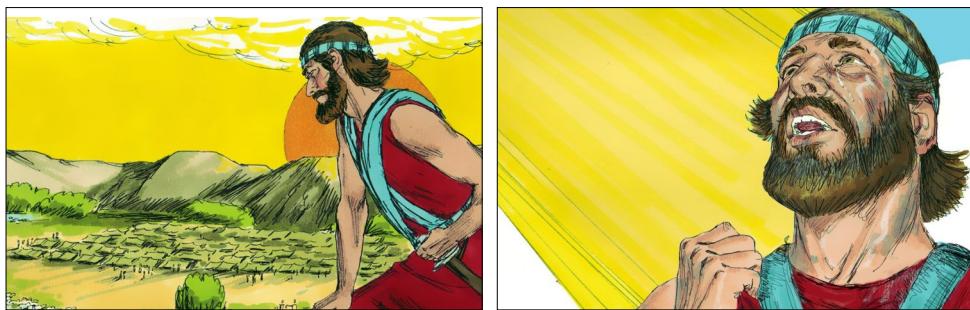

8. O Izraelesro nepos risel an Kanaan

O Dragon Del so ighirindeas, te kerdeas: ari andeas pesro nepos dean Ediiptomos. Kana pašeolas karig o Kanaan, muias o Mozeſ, the o lojue has o vezetövos. The o Dragon Del ode phendeas leske:

„Kiso solgas te aves manghe sar has o Mozeſ. Ke akana muias o Mozeſ, the tut valostindeom tut ari kai te ghigias morro nepos an Kanaan, sar ighirindeom tumare phurenghe. Kodo them lenghe ighirindeom les, the othe ghigiav tumen.”

De but zorale nepi has an Kanaan, kide ke o Dragon Del phen-deas: „Av batroon the zoralo, ke me tuva avoho an se mindenoste kai

phirehe. Sar homas le Mozešehe, te tuva kide avoho. Ker kode törvenie, savi o Mozeş sikadeas tuke! Na terin tele pa morro drom nici pe ciacii, nici pe zervon rig, kai te avel tut but bahht karig phires. Na daral! Av zoralo the av batroon! Me tuva avoho sekkovari, fiekai phirehe.” The o Del lenja has kai te len o Kanaan.

9. Hin mišto te aces pašo Sfunton Del

O Dragon Del phendeas pesre neposke, le Izraeleske: „Dake na haiarena murri duma the na kerena ode so me phenav tumenghe, te niikeren morri törvinie, okkor maroho tumen:

Kana gian te maren tumen tumare ruşle manušenja, giana pe ieg drom, de von kiso zores marena tumen, kai pe efta droma naşena tumenghe daratar.

Kana dikhena o manuşa an aver thana sar mardeas tumen o Dragon Del, okkor zores darana.”

Pala ode le Delesro nepos, o Izrael, but reme acela an pengro them, but jidiila othe le Delesro nepos. O Del but vari phendeas lenghe kai te haiaren katho profeta the te keren ode so phenen von, te

Petersoske: „Peter, na gianes nici ieg ora te aves trezon? Aven trezi the imatkozinen kai te avel tumen zor an pharibo.” Pala ode pale ghileas peske o Iezušis, the se kide imatkozindeas. Kana pale avieas, o tonitvanea paneş sovenas, ke mikea pes e lindr pe lengre iakha, the na giangle so te phenen leske.

Pala ode pale ghileas, paneş imatkozindeas o trito vare. Pale ghileas lende, the o Iezušis ode phendeas lenghe: „Aven, uştien opre! Uştien opre ke akana pukhavena man.”

The o Iudaş bute manušenja avieas ko Iezušis. Kopaiança, ciurança, kordonenja avile kai te hhuden les. The o Iudaş phendeas lenghe: „Saves ciumidav, koles kai te hhuden!” O Iudaş ghileas the ciumigleas le Iezušes the o sugladea hhune le Iezušes.

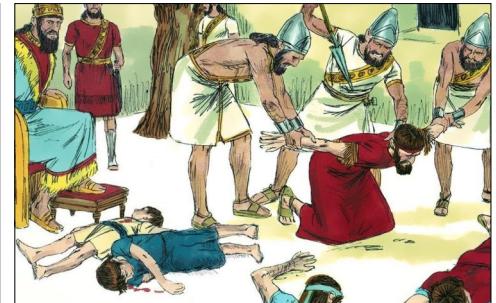

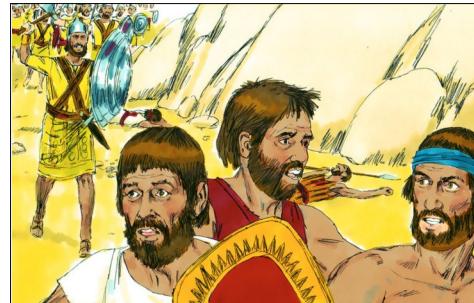

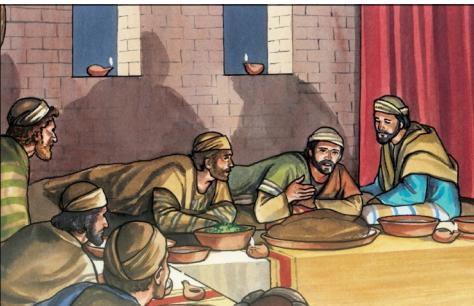

The o Iezušis phendeas: „Kide aven kai te hhuden man? Sar kana ieg cior avohos, kopaiança the kordonenja? Sostar na avilen kana kode an khanghiri homas the phendeom tumenghe pa Dragon Del? So na avilen okkor kai te hhuden man?” The o tonitvanea se othe mikle les the naşle penghe.

18. O Iezušis anglo Pilatuš

Tosarra iokor kide dumazinde pen o bare manuşa the o bare raşaia te ghijan le Iezušes anglo Pilatuš, te ghine les. O Pilatuš kide puceas katho Iezušis: „Tu han le Izraelosro kraiis?” O Iezušis ode phendeas: „Sar tu phenes.”

O bare raşaia but giungalibo phenenas pa leste. Ode pucel lestar o Pilatuš: „Dikh so phenen pa tute kala bare raşaia, tu na phenes khaici?” O Iezušis bute na phendeas khaici.

Von te kide kerde.

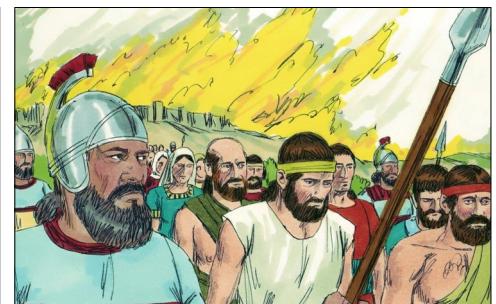

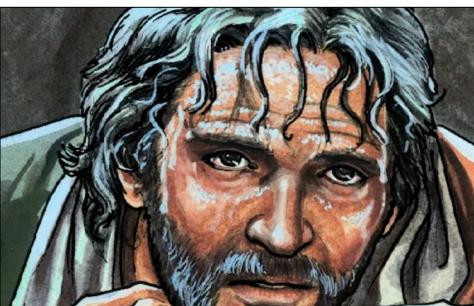

The sar hhanas, o Iezuſis ode phendeas: „Kon bolela manța an iekh ciaro, kodo pukhavela man.” O tonitvanea zoren bușuiimen hasle the pucile lestar: „Vare na me hom kodo?”

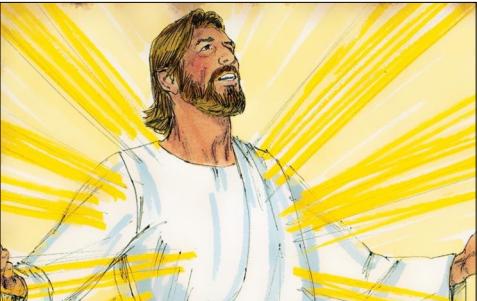

O Iezuſis phagheas o mangro the kösöniindeas le Deleske the dineas pesre tonitvaneonenghe. The ode phendeas: „Len te hhan dean leste! Kado hin morro teștos.” Pala ode ileas te i mol, kösöniindeas le Deleske, dineas la pesre tonitvaneonenghe the saste pile dean late. The ode phendeas: „Kado hin morro rat, the pando rat so thadela vaș, butenghe, kerel o Del iek phandibo le manusența.”

Pale so hhale, ghile penghe ande iek bar, kai kide biciolas Ghecemeane. Pehe ghineas le Peteros, le lokobos the le lanoșes. Zores bușuiimen haslo the ode phendeas lenghe: „Acen kade the aven trezi.”

Vo ebuka mai dur ghileas the ode phendeas: „Abba, tata, dake șei, le mandar kado poharos! De na kide te avel sar me kamav, te avel kide sar tu kames.”

Pale ghileas lende, the arakhea len soindos. The ode phendeas le

10. O Dragon Del phenel ke tradela ieg lacio kraiis

Le Delesro nepos, o Izrael, na kerde ode so phendeas lenghe o Del. Vo traneas ieg profetos, the vo ode phendeas lenghe ke o Del tradela ieg kraiis, kai semindenos te avel mišto:

Ieg ḥino ciavo kerdeola amen, o Del iekhe ḥine cias dela amen. Vo avela amaro kraiis, savo phenel amenghe se mindenos sar te keras.

Vo avela ieg zoralo Del, ieg Dad savo avela sekkovari, the kai avela vo o kraiis, othe mištibo avela maško manuşa. Lesro them bareola the othe mištibo avela maško manuşa sekkovari. Beşela pe le Davidosro tronos, avela ieg rei pe lesro them ciacimaha die akanara the sekkovari. Kala kerela len o Dragon Del.

11. Kana o Iezuſis kărdiieas

An kode reme kana o Augustuſ has o kraiis an Roma, khithane kameas kai te inghinien le saste manuſen, sode has an them. Sekkon manuſ kampieas kai te gial an kodo foros kathar has lesro ciolados, kai te inghinien len.

Has ieg manuſ, o lojef, the lesri rromni, i Maria. O lojef ghileas te

aver bakre, save na dean kede stîna hine. Te kolen hin te anav len kade, the halgatinena kathe murri duma. Akkor avela ieg turma the ieg bacios."

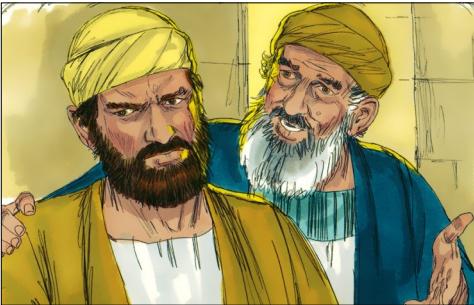

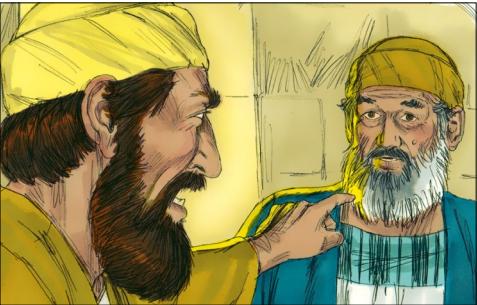

Amen gianas ke o Iezuſis hin o kraiis kas o Del traneas kai semindenos te avel mišto, kai te avas le Delehe. Vo sasteardeas le nasfalen the bociatindeas le manuſengre bünii. Kide sar phendeas, vo giangheas ke othe dela pesro eletos vaſ o manuşa, the vaſ ode ghileas an lerujalemos.

17. Le Iezuſes hhuden les

O Iezuſis dumazinelas le manuſenghe the kerelas lența mištibo the sastearelas len. Bute manuſen ceiieas len kede, de le bare raſai an the le bare manuſen na ceiieas len. Von ode phende maška pende: „Te hhudas le Iezuſes the te mudaras les!”

O Iudaſ, ieg dean le Iezuſesre tonitvanea, ghileas ko bare raſaiia kai te pukhavel le Iezuſes. Kola örvendinde the phende ke poținen les. O Iudaſ losardeas ieg laci reme kai te pukhavel le Iezuſes.

An la paskakro elſövon dies phendeas o Iezuſis duienghe maška pesre tonitvanea: „Gian the laciaren la paskakro hhabo!”

tele cineardean vaš leske le bare thule borneuvos kai te hhan the kai te mulotinen, de vaš manghe na kerdean la.”

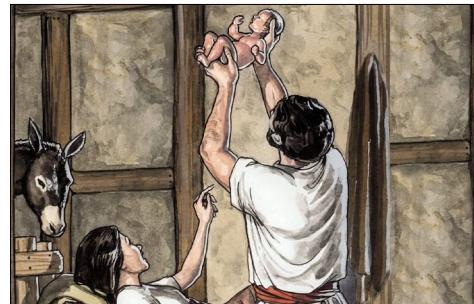

Ode phendeas leske lesro dad: „Morro ciavo, tu sekkovari manṭa han, semindenos so hin morro, tiro hin. Kampelas te mulotinas the te örvendinas, ke pale avieas tro phral! Ke mulo has, the jivel dean neveste. Hhasardo haslo, the arakhlo hino.”

16. O lacio bacios

O Iezuſis dumazinelas le manuſenghe, kerelas lenṭa miſtibo, the sastearelas len. Iekhar ode phendeas: „Me hom o lacio bacios. O lacio bacios othe del pesro eletos vaš o bakre.

O sogas, savo hino poṭimen te grijinel le bakran, naniilo bacios, the o bakre nanii lesre. Kana dikhel ke avel o ruv, othe mikel le bakran, the naſel peske. The o ru hhudel len the naſavel len. O sogas naſel peske, ke nanii lesre o bakre the nanii leske draghi.

Me hom o lacio bacios. Sar morro Dad pringianel man, the sar me pringianav les, kide pringianav me morre bakren, the von kide pringianen man man. Me othe dav morro eletos vaš o bakre. Hin man te

vo kai te gial katho Nazaret, kai beſle, an Betlehemos, an le Davidosro foros, vaš kode ke dean le Davidosro neamos haslo. O lojef ghineas te pesra rromnea la Maria. I Maria khamni hasii. Kana othe hasle an Betlehemos, avieas i reme kai te nesfeeol i Maria.

Kerdeas iekhe ḥine cias, kai has lakro sighiduruno ciavo. Andre pateardeas les the kode ciuneas les kai te sovel kode kathar hhan o allotri, vaš kode ke aver varkai na has len than. Kide kărdiieas o lezuſis.

Kode paſo Betlehem, ari pe mal has niſte bacii, kai grijinde reatiel le bakren. He sikadeas pes le bacionenghe iek andealos, the le Delesro feneos körbe ileas len the von zores darane.

The o andealos ode phendeas lenghe: „Na daran! Iekh lacii hire anav tumenghe! Ke kerdileas kodo saves avugiaren, savo mentinela tumen, o kraiiſ. Gian ando foros, ke kode dikhena les.”

The die iekh ieleninde but andeala, save kide laſarde le Deles: „Laſaren le Deles an ceros! The pe phu te avel lenghe miſtibo ko-lenghe, kon hin draghi le Deleske!”

Pale ode kide phende o bacii maşke pende: „Aven kai te gias sigo an foros, an Betlehem, te dikhas so törtenindeas, so phendeas amenghe o Del!” Von kana andre ghile an Betlehem, arakhle la Maria the le lojefes the le şine cias.

Ode phende la Mariake the le lojefoske o bacii: „Sikade pen amenghe le Delesre andeala the phende amenghe ke kerdiileas kodo savo mentinela amen, o kraiis.” The pale kode pale risle pe mal the laşarde le Deles.

12. Kana şinono has o Iezuşis, kamle kai te mudaren les

Kana kerdiileas o Iezuşis, an kode reme has o Herodeş o kraiis. The haiardeas ke kerdiileas inke iekh kraiis le Izraeloske. O Herodeş zores ruşreas, ke daraneas ke kado şino ciavo lela lesro kiraişagos.

Okkor ode phendeas ke sekkone şine cias gii ko dui borş te mudaren an kodo foros.

De le Delesro andealos sikadeas pes an suneste le lojefoske the ode phendeas leske: „Le le şine cias the la Maria the naşan tumen-ghe an Ediiptomos! Ke o Herodeş zores ruşel po şino ciavo. Kamel te mudarel les.” The o lojef, kana haiardeas, okkor ileas le şine cias the la Maria, the ghile penghe andre andro Ediiptomos.

The othe acile gii kai muias o Herodeş. The pale kode ghile penghe khene. Kide kampieas te kerdeol andre kode so phendeas o Dragon Del pordal pa profetos: „Dean Ediiptomos akhardeom ari murre cias.”

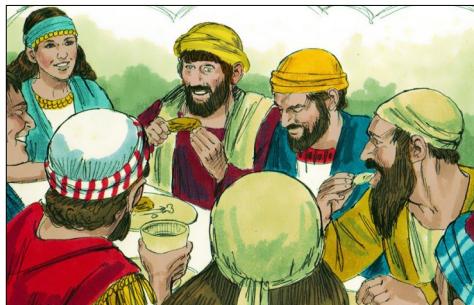

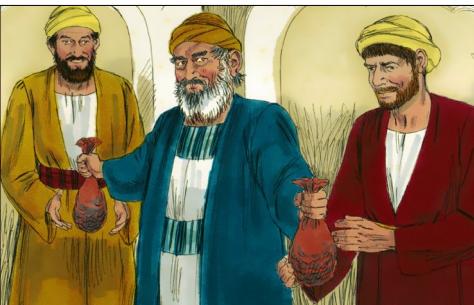

te: „Morre dadesre manuşa hin len but hhabo, the me kade merav bokhatar. Pale giav manghe ka morro dad the phenav leske: Dikh, ta-ta, giungalibo kerdeom anglo Del the angle tute. Na hom destul lacio te phenes ke tro ciavo hom. Mik te avav ieg dean tre manuşa!” The pale ghileas ka pesro dad.

Kana risleas karig ko kher, lesro dad dikheas les die dural, angle leste naşreas, an lesri korri hhuttiieas the ciumigleas les. The vo ode phendeas pesre dadeske: „Tata, na hom destul lacio kai te phenes ke tro ciavo hom. Giungalibo kerdeom anglo Del the angle tute.” De les-ro dad ode phendeas pesre manuşenghe: „Anen leske o mai lace rîzes, tîrden angrusni pe lesro angruş the den les sondes! The cinen tele le thule borneuvos, te örvendinas the te hhas, ke pale avieas morro ciavo, savo mulo has the jivel dean neveste, hhasardo haslo the arakhlo hino.”

O mai baro ciavo ari haslo pe mal. Sar avieas karig khene, haiardeas i zeli the kai khelenas. The akhardeas iekhe cias the puceas lestar: „So hin kala zieaha the kala khiimaha kade?” The phendeas o ciavo: „Pale avieas tro phral. Tro dad tele cineardeas le thule borneuvos, ke örvendinel ke pale avieas sasasto.”

De vo kana haiardeas, zores ruşreas the na kameas kai te gial andre. Ari avieas lesro dad the ode phendeas leske: „Amandre, morro ciavo!” De vo na ghileas andre. Ode phendeas pesre dadeske: „Die sode borş tuke sogalinav the tuke kerav butii. De man na dinean man nici iekhar kecike kai te mulotinav morre boratonenţa. He dikh, kodo tro ciavo, savo le kurvenţa ciunea tre love, kana khene avieas,

15. O ciavo savo iseiiia pale ka peskro dad

Kola manuşa save giungale butea kerde, o saste avile kai te haieren le lezuşes. De save kamle te keren so phendeas o Del, rovarenas pen: „O lezuşis giungale manuşen̄a dumazinel the hhal len̄a an iekhate.”

Pa kede o lezuşis kide phendeas: Has ieg manuş saves has les dui ciave, ieg mai baro the ieg mai ḫinono. O mai ḫinono ode phendeas pesre dadeske: „Tata, de ari morro resos so manghe phirel, an lovende!” Lesro dad othe dineas leske o love.

Pale varesode diesa, o mai ḫinono khitane hhaneardeas pesre butea so has les the ghileas peske. Gheas peske dur kathe pesro dad the othe se jidiieas pesre love. Kiso eletos jidiieas ke na has les gîndos pe lüme.

Pala ode avieas ieg bari bokh the les na acileas les khaici. The gheas ka ieg manuş te losarel peske butii. The arakheas peske butii ko bale, kai te del len te hhan. De vo kiso bokhalo haslo, ke hhaiahas te dean le balengro hhabo, de nici dean kodo na mikle les te hhal.

Dinea pesri sama ke se viaṭa hin les the kide ghindindeas an pes-

13. O lezuşis gial ka Bari Khangheri

O lezuşis şukar barieas. Zoralo the godeaver kerdileas the dragon has le Deleske. Lesro dad the lesri de an sekkon borş ka paska, ko baro ünnepos, gianas an lerujalemos.

Kana haslo deşudue borşengro, te o lezuşis ghileas peske len̄a. Kana kampieas kai te aven khore, o lezuşis othe acileas an lerujalemos, bi te gianen lesro dad the lesri de.

Von ode ghindinde, ke pesre neamonen̄a hino, de pala ieg dies dikhle ke nanii maşka lende. Losarde les maşko borati the maşko neamii, de na arakhle les. Vaş ode pale ghile an lerujalemos.

Pale trin dies arakhle les an Bari Khanghiri. Körbe haslo ilo le manuşen̄a save sikavenas e Törvinie le Delesri, the o lezuşis dumazinelas len̄a pa le Delesri Törvinie the pucelas lendar. Zores bamulinenas pe leste kola manuşa, kiso godeaver haslo the zores miştō feleindeas lenghe. Kana dikheas lesri de le lezuşes, puceas lestar: „Morro ciavo, sostar kerdean kede amen̄a? Die trin dies losaras tut!”

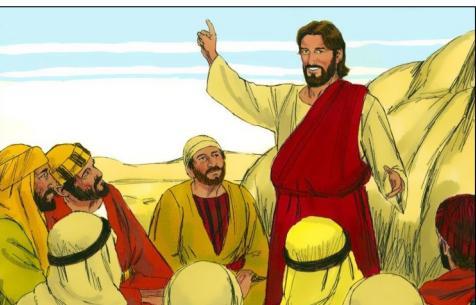

De okkor ode phendeas lenghe: „Tumen na gianen ke murre Dadesre butean̄a hin te hhudav man? Na gianen ke kade hin morro

than, an morre Dadesro, le Delesro kher?" De von na hhune opre so vo phendeas lenghe. Pala ode khere ghile an Nazaretos the o lezuſis hiardeas kathar pesro dad the kathar pesri de. De lesri de na bristideas kola trabes.

O lezuſis şukar barieas the mai godeaver kerdileas the dragon has le Deleske the le manusenghe.

14. E bari vociora

Kana barileas o lezuſis, but dumazindea le manusenghe. The iekhar kide phendeas lenghe: „Kana kerena iek meseli, te na akharen le boratonen, le phralen, le neamonen, le barvalen, kai te na den tut te von pale kodo hhabo. Akharen le ciorren le banghen, le neomorikonen, le korren!"

The phendeas lenghe sar iek felos parames: leg manus phendeas kai te keren but hhabo. Bute ginan akhadeas ka kode meseli. Kana gata has o hhabo, ari traneas pesre manuses kai te akharel le manusen, ke gata hin o hhabo.

Lesro manus ghileas, de kola manusava saven vo akhadeas, ode phendeas leske te na ruſen ke von naſtig gian. O sighiduruno ophendeas: „Akana tindem manghe ieg phu, giav te dikhav la. Phen tre gazdaske te na ruſel."

O duito ophene: „Akana tindem manghe panci pari guruva, giav te dikhav lendar, so gianen te keren. Phen tre gazdaske te na ruſel."

O trito ophene: „Akana ileom manghe rromnea. Naſtig giav." Pale ghileas o manus ka pesro gazdas the phendeas leske so phende kala manusava.

Zores ruſeas lesro gazdas the ophene leske: „Gia sigon ari po drom, kide khithane le ciorren, le banghen, le korren the le neomorikonen, the an len! Gheas lesro manus the khitane kineas len. Pala ophendeas pesre gazdaske: „Morro rei, mai acileas than."

Okkor o gazdas kide phendeas leske: „Gia ari dean foros po drama, po üſvenie the losar khithane manusen, de sigon phen te aven, kai te phärdeol ari o than! Kide phenav tumenghe: kola saven akhadeom len mai sighider, kola na hhana manṭa ka kado hhabo."
